

If you attend a
CollegeFish.org partner
community college,
catch the wave!

Create your CollegeFish.org account!

- ★ Visit **CollegeFish.org** and follow the instructions to log in.
- ★ Complete your profile with personal, academic, and transfer goals.

Review your transfer college and university recommendations.

- ★ Check out their institution information pages and transfer documents.
- ★ Save up to ten top choices in your Saved Colleges Fishbowl so they know you are interested.
- ★ Don't forget to use the "College Browse or Search" tool to find other colleges and universities meeting your needs.

Create a Transfer Success Plan!

- ★ Manage the courses you'll need for admission and for your major with the Course Planner.
- ★ Compare college costs with the Transfer Tuition Planner.
- ★ Connect with college transfer personnel at your selected college or university.

Connect with other students.

- ★ Join online transfer support communities to ask questions, get tips, and connect with community college students just like you!

Synch your calendar.

- ★ Don't miss out on important deadlines! Use the CollegeFish.org calendar and put important transfer dates on your smart phone.

Earn badges!

- ★ Celebrate each milestone you achieve. Earn badges and let senior colleges and universities know how transfer-ready you are!
