

get hooked

Are you ready to catch the college transfer wave?

While pursuing your community college degree, use CollegeFish.org to:

Search

Explore the countless transfer opportunities available by searching information on over 2,000 accredited senior colleges and universities.

Select

Narrow down your top college choices, compare them side by side, access the Transfer Tuition Planner, and start planning a pathway to your selected transfer college.

Secure

Access over \$37 million in transfer scholarships and stay on track by managing important transfer deadlines and milestones.

Succeed

Manage your academic and leadership journey to your selected college and university by preparing academically, socially, and financially.
