

# SEARCH

The Search phase of **CollegeFish.org** is an exciting opportunity to **connect with over 2,000 accredited senior colleges**. Find the best fit senior college transfer options that match your interests and goals.

## Tools to use in search:

- ★ Add top choices to your fishbowl.
- ★ Use the college comparison tool to see how your choices match up.
- ★ Transfer Tuition Planner: Get the dollars and sense on how much your choices cost.
- ★ Get connected with transfer support at colleges you are interested in.
- ★ With the Transfer Support Services, you can get connected with two-year and four-year transfer experts who can answer your questions and help guide your search to success!

*get hooked*

### It's always important to have a "back-up" plan.

Even if you've always had one specific transfer college in mind, **consider applying to at least three choices** so you can compare and review the opportunities each college offers. Ask your teachers, advisors, parents, family, and employer for their input, too.

For more information, contact [support@collegefish.org](mailto:support@collegefish.org).
