

SECURE

Now that you've made your choice, it's time to **prepare for a smooth transition** to your next college destination.

Tools to use in secure:

- ★ Use the CollegeFish.org Scholarship Search, Financial Resources, and Transfer Support Services tools.
- ★ Set reminders for deadlines and important dates on your phone calendar system.
- ★ Complete and submit your FAFSA, as well as the college or university's scholarship application.
- ★ Find out about housing, parking, books, and fees.
- ★ Register as soon possible and review fee due dates.
- ★ Start reviewing clubs and activities.

You should review your transcript and degree audit

with your community college advisor. Apply for graduation at your community college. **Submit a final transcript request** for your final completed transcript to be sent to your new school once final grades are posted.
