

# SUCCEED

Now that you are ready to transfer, it's time to **SUCCEED!**

## Tools to help you succeed:

- ★ Find out when transfer orientation is scheduled and register.
- ★ Sign up for classes as soon as possible. Remember, returning students have likely been able to sign up since last semester.
- ★ Meet with your new advisor regularly to monitor your progress.
- ★ Consider joining a club or activity on campus to build your resume.
- ★ Learn about internships and job opportunities by visiting your campus Career Center.
- ★ Review your financial aid and payment options.
- ★ Find out about free tutoring.
- ★ Create perfect attendance and study goals. Join or create a study group.
- ★ Meet your faculty, introduce yourself and stop by during office hours.
- ★ Visit the bookstore and buy a new t-shirt or sweatshirt to show your team spirit and consider attending an on-campus event, activity, or game.

### Stay Motivated!

Join the on-campus gym and schedule time to work out between classes. **Feeling Blue?** Need someone to talk to? Ask about on-campus counseling options.

## Did you know you can always use CollegeFish.org?

Once you've created an account, you can always come back. Don't forget to check off your final transfer step by telling us where you transferred!

For more information, contact [support@collegefish.org](mailto:support@collegefish.org).
